

**Charles M. Bair Memorial Trust - Scholarship  
Additional Awards Form**

---

---

The Charles M. Bair Scholarship typically has paid the balance of direct expenses for all Scholars. As a result, anytime a Scholar receives additional funding from any other source (other than loans and employment related income), the Charles M. Bair Scholarship anticipates the additional awards are to offset expenses of this Scholarship Program. It is against IRS regulations for Private Foundations to benefit individuals, which may happen in the event of a refund being issued directly to a Bair Scholar.

Please certify below that you have read and understand that all funds you receive in the form of grants, scholarships and other awards are to be applied directly to the cost of your education and ultimately likely will reduce Scholarship benefits provided by the Charles M. Bair Scholarship Program.

Please list for the most recent semester all other benefits you have received either directly or through your educational institution:
